Re: Cornell-Dubilier Electronics Site - Administrative Order on Consent for Removal
Action, Index No. II-CERCLA-98-0115
Progress Report No. 21

Dear Sirs:

As specified in Paragraph 50 of the above-referenced Administrative Order, on behalf of Respondent Cornell Dubilier Electronics, Inc. (CDE), ENVIRON Corporation (ENVIRON) is submitting this progress report which summarizes activities conducted pursuant to this AOC between May 20, 1999 and June 2, 1999.

Completed Activities

During this period, the following activities were completed:

- Discussions with the owners of Properties B, C, E, F, I and N regarding ongoing landscape restoration activities and any potential landscaping deficiencies noted by the homeowner. These discussions were completed during a site visit on May 26, 1999.
- Completion of pool installation on Property F; work was completed on May 25, 1999.
- Conducted site inspection with USEPA on June 1, 1999.
- Contacted property owners on June 1 and June 2, 1999 to remind them that all newly installed lawn areas, trees and shrubs must be adequately watered.

- Received request for additional work on the new fence on Property B. The property owner contacted ENVIRON on June 2, 1999, to request that in addition to the colored stain already applied to the new fence, a clear coat of stain also be applied to the fence.

Ongoing Activities

During this period, the following activities were initiated and/or are in-progress:

- Preparation of validation reports for verification data.
- Preparation of the final removal action report.
- Implementation of restoration activities at five properties.
- Resolution of restoration issues identified by property owners.

Two-Week Schedule of Planned Activities

In addition to the ongoing activities described above, during the next two-week period (June 3, 1999 through June 16, 1999) the following activities are planned:

- Completion of data validation for all verification samples.

One-Month Schedule of Planned Field Activities

During the next four-week period (June 3, 1999 through June 30, 1999), the following field activities are planned:

- Completion of restoration activities.
- Contractor demobilization activities; the anticipated date for demobilization is June 4, 1999.

Please call me or Mark Nielsen at (609) 452-9000 if you should have any questions regarding this progress report.

Sincerely,

Michael P. Scott
